

Totally Me Club Application

To become a member of the Totally Me Club you must finish a quilt totally by yourself. You must choose the fabric, sew the top, embellish or embroider, if that is part of the design, baste and quilt, either by machine or hand, and bind the quilt. No other person can work on the quilt. There is no requirement on the size of the quilt.

You will receive a Totally Me Club pin for your first quilt, a certificate recognizing your accomplishment and your name will be added to the Totally Me Club Roster. For qualifying quilts, after the first one, you will receive a certificate and, again, be added to the Totally Me Club Roster.

When you have completed the quilt you must fill out an application (available for print on this website), and submit the application to the Totally Me Club Chairman.

NO QUILTS WILL BE ACCEPTED WITHOUT THE COMPLETED APPLICATION.

Limit: Three (3) Totally Me Club applications may be submitted per year (July 1 to June 30).
