February 2021

## Notes from Colleen

I am so hoping that the virtual dance we have been doing for a year now is about to come to an end. Maybe in just a few months we can actually join hands and dance for real. In the meantime, please help me to make the virtual "Dancing with the Stars" quilt show happen. We have a quilt show every year, including last year. Let's keep the tradition alive. I know you've created some amazing quilts since last March and it will just take you a little time to send me pictures and information. Are you with me? If so, let's do this! Email me a picture of each quilt you would have entered in a real show (up to 5 quilts). The deadline is March 8 (I extended the deadline through the weekend). With each picture, include your name, the quilt title, who it was quilted by, length and width in inches, and interesting information about your quilt in 30 words or less. If you have some amazing features or quilting on your quilt and want to send a close-up shot as well, please do so. It makes it easier for me if you send a separate email for each quilt. If you don't do email, but want to enter a quilt, please call me and we'll figure it out. I was asked if a quilt entered in the virtual 2021 show could be entered in the real live 2022 show. The answer is yes. So please, be your amazing selves and let's put together an amazing virtual quilt show to share with each other and our community!

**Just a reminder that the drawing for the opportunity quilt will take place on March 14, 2021.**

Money and stubs from the tickets you sold (or bought yourself) need to be turned in prior to the drawing (and sooner rather than later if possible). Please contact me, and I will pick them up, or you can drop them off at Eileen Milligan's, or you can take them directly to Thea Norum. Just contact first before you drop off. Thank you!

## Programs and Speakers

Did you all know there could be so much that goes into Market? I still can't imagine how frenzied that must have been when they opened up the doors for people. And all those quilts on display- so much amazing work to be seen. Perhaps when things began to be opened up again, we will have amazing shows to go to and see these in person. Pictures, even very well captured, never seem to get every aspect of the details on display. What a wonderful experience to share ☐

This month we have the pleasure of hearing from Sandy Corbin. After multiple reschedules from last year at the start of Covid, we will get to hear her talk about borders. Being a novice to quilting, I am excited to hear about making the choice to add or not add borders and sizing that up.

Sandy is from Southern California, hot sun and beaches! She has been sewing since Jr. High and founded "Sandy's Designs" in 2002 by creating patterns. She has been teaching classes since 2004 and has been part of the Beach Cities Quilters Guild for over 20 years.

Next month we will also be having a virtual lecture from Lori Dickman to present "For the Love of Quilting- Made Easy." She will touch on everything from beginning with your sewing room organization to putting on the label of your finished quilt.

Don't forget to join in on the Sew Days happening every month. You don't even have to do the pattern provided, you can do a UFO or some other fun project you have going on.

Please feel free to contact us if you have ideas for speakers or classes, or if you have questions or suggestions to improve.

# Quilt Show

Hello Quilty Friends,

The 2021 show, Dancing with the Stars, will be a virtual show. Thank you to Colleen and her amazing tech helpers for putting this together for us. If you would like to show a quilt in the virtual show, please get the information to Colleen so she can include it. We will be drawing the winner of the Dancing with the Stars Opportunity Quilt on March 14. If you still need to pay for your opportunity tickets (included with membership), please contact me or Thea Norum as soon as possible so we can process your tickets and get you entered for the show. Good luck to all!

Any outstanding quilt show committee vouchers need to be turned in to Pat Smith not later than March 15. This allows Pat the necessary time to complete the accounting before we dive into the 2022 Quilt Show.

Speaking of the 2022 Quilt Show, have you heard the news? The theme for the 2022 Quilt Show is Traditional With a Twist. Karen Litvenchuk is the designer and creator of the Opportunity Quilt and will also be the Featured Quilter for the 2022 Quilt Show. We are eagerly awaiting the debut of Traditional With a Twist!

Thank you, thank you, thank you, to all who served on the 2021 Quilt Show Committee. This has definitely been a crazy year.

There are several positions available for the 2022 Quilt Show Committee and we need volunteers to fill them. If you've never volunteered or have in the past but have taken a break, WE WANT YOU! Please contact me for more details and positions available.

# Community Service

## Community Service Notes

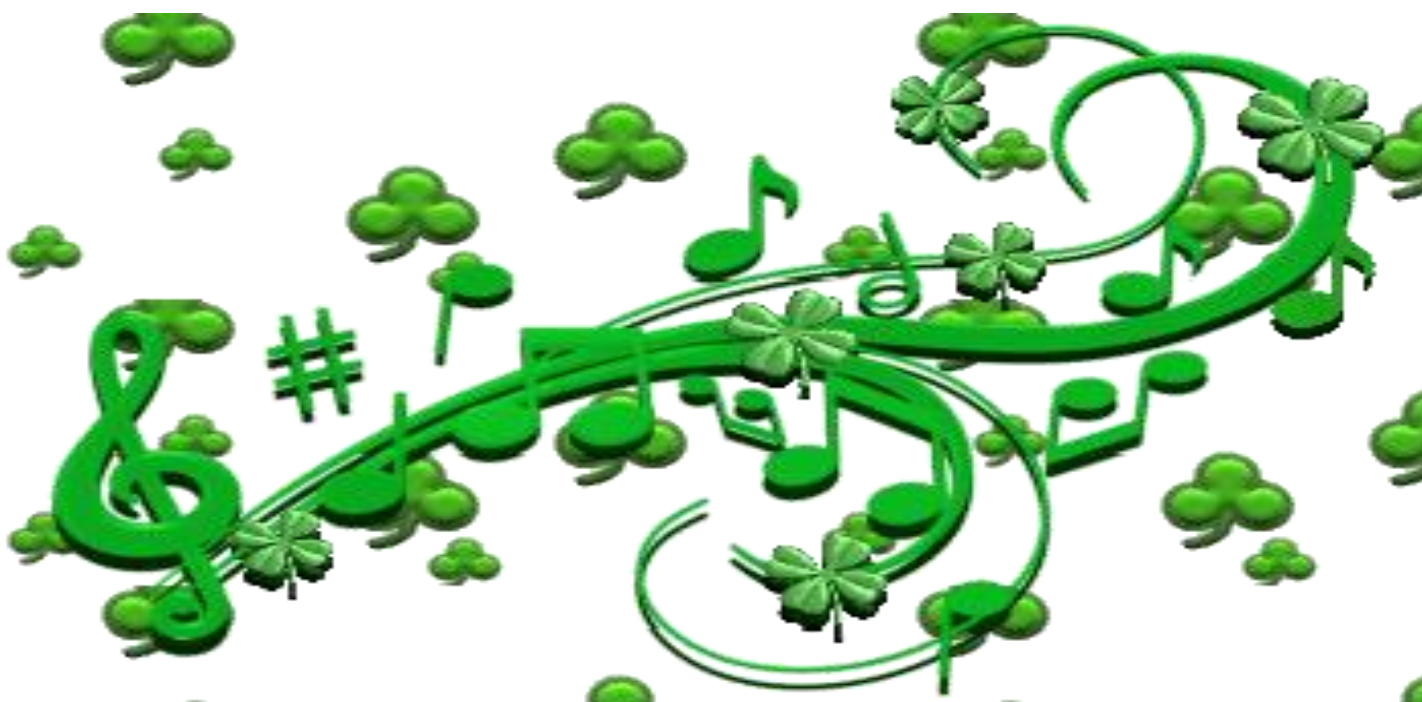

It has been some time since I wrote the Community Service notes. Yes, I have been derelict in my duties....but there are so many duties! The guild members have certainly stepped up to make quilts for Foster Care and the Cancer Center. Special thanks to Terrie Johnson for handling the quilts to the Cancer Center.

Special thanks to the Community Service team members who go above and beyond to facilitate the making of all the quilts we give away: Barb Buehrle, Deanna Williams, Helen Sousa, Terrie Johnson, Gail Gilmore, Barb Gilmore, Pat Smith, Janet Craver as they meet at my house. A special shout out to Barb Buehrle and Deanna Williams for sorting and organizing our growing stash.

Other guild members that have assisted us with making tops, quilting, sewing on bindings and/or donating completed quilts: Thea Norum, Cheryl Gaines, Yvonne Smith, Marilyn Hill, Melanie Vieira, Janet Craver and friends, Billie Lindgren, Betty Harris, Betty Sahly, Sally Adams, Cathy Evans, Joan Sampson, Delaina Watson, Karen Litvinchuk, Bonnie Taylor, Janice Milbourn, Cheryl Claxten, Eileen Milligan, Colleen Pelfrey, Rosie Stearns. We thank each and every one of you for your part in the many quilts we give to strangers.

Quilting is a wonderful hobby that for many of us has kept us sane this past year of Covid. I hope you have your vaccine doses and that life will return to normal soon. We have all made a dent in our stashes and soon it will be time to hit the quilt shops full throttle. Keep On Quilting.
