September 2021

## *Notes from Colleen*

Sometimes even my rose colored glasses get a little foggy. With the pandemic ever present, and the fires impacting so many lives, and close to home, with some of our members going through some really difficult times these last few weeks, my heart goes out to everyone. Even still, we can look for the good, and be the good.

I enjoyed having a live speaker at our August meeting. There is nothing quite like a quilt up close and personal. I also enjoyed the long postponed Linda Ballard class. I now have another Linda Ballard UFO, but I'm working on it. It was worth it to see everyone. As a guild, we are continuing to contribute to our community. At the August meeting, 108 quilts made by members of this guild were shared. They have now been given to foster care. Several members donated quilts for survivors of the Dixie fire, and we are continuing to do so. And on October 23<sup>rd</sup>, we will celebrate Make A Difference Day, by working together to make more quilts to give to people who need the love that comes with a quilt freely given. And if you have it to give, give someone a longer hug, a helping hand, or an offer to dance in the rain with them. As always, you remain amazing.

Colleen

**SEPTEMBER MEETING:** The September meeting will be at St. Andrew Presbyterian Church. I will be there at 5:30, so if you are helping to set up, you can arrive between 5:30 and 6:00 pm. Otherwise, doors open at 6:00 pm and the meeting starts at 6:30 pm. I just contacted St. Andrew, and **due to the upturn in COVID cases and a couple cases at the church, they are requesting that members of the guild wear masks. To respect the churches wishes, please be prepared to wear a mask at the meeting. We are grateful to have a place to meet.**

## **IN MEMORIAM**

One of the sad things that happened this month was that we lost a member of the guild, Karen Peters. Karen was a long time member of the guild, and loved the guild. She didn't want to miss a meeting. I got to know her a little, because she usually came to the dinners we had with the speakers prior to our meetings, and always with a smile on her face. She wasn't just a guild member, she was one of the pillars, one of the people who keep the guild going. She volunteered a lot. Every quilt show she would help with set up and often signed up to work the raffle basket table. She was in charge of the UFO challenges for a while, and spent some time on the board as treasurer. She was loved by her family, and surrounded by them when she passed. Karen also had many friends and she'll be missed.

## *Programs and Speakers*

I was bummed to not be able to make the meeting last month with Yvonne Phenicie but I hope everyone was able to enjoy it. I heard the meeting was good!

This month we will have the pleasure of Arlene Arnold delivering the lecture "They Made It Through." She has been doing quilting since 1975 and has achieved multiple Best in Shows and blue ribbons. Her focus area is on Pre-Civil War quilts to those from the Depression.

Next month we will be hearing from Inger Blood and she will be showing us her Trunk Show. She enjoys quilting with a passion but also is self-taught for crocheting, knitting and embroidery.

Signup sheets for the workshops will be at the workshop table so please stop by and sign up! Please remember, if we are not able to get enough signups, we cannot hold the workshops.

Please feel free to contact us if you have ideas for speakers or workshops, or if you have questions or suggestions to improve.

# Community Service

## **Do You Remember Make A Difference Day 1994?**

This year on Saturday, October 23rd we will again commemorate Make A Difference Day, although there are no prizes to win and not much publicity about it. Community Service will have kits for you to sew, some binding to hand stitch and maybe even some squares to cut. We will meet at the Fremont Administration room on Plumas St. and start at 9 in the morning.

I will have the photo albums and memory quilts from six of the years we participated. It's always fun to look back at pictures of when we were young and enthusiastic. For those of you newcomers, who have joined the guild after those events, we hope you will enjoy seeing some of the history of the guild as we continue to make quilts for those in need of comfort.

Diane Leighton  
Keeper of the Goods

## **Thank You for Your Community Service Participation**

A special shout out to Rosie Stearns (she is the manager of the Sunsweet store) who again donated (24) pieced tops and backs for Community Service. Her generosity is much appreciated and her workmanship is beautiful. Thank you. Thank you. Thank you.

Thank you to Gail Gilmore and her sister Barb Gilmore for their willingness to haul the quilts to and from the meeting again now that we are meeting in person. They are an important part of the Community Service team and are much appreciated.

Thanks too to the following members who, month in and month out, support Community Service with all the details of creating quilts. Thank you to Melanie Vierra, Pat Smith, Carolyn McCray, Wanda Horn, Barbara Buehrle, Joan Sampson, Sandra Torres, Shirley McElyea, Cheryl Clayton, Helen Sousa, Gail and Barb Gilmore.

Thank you to two new members (and sisters) Debbra Murphy and Bonnie Jackman who jumped right in to help Community Service by taking home quilts to bind.

We need everyone and we thank you all for your participation.

## CHALLENGE QUILT 2022

**If you want to participate in the 2022 Quilt Guild Challenge, you can still sign up, either at the September meeting, or by contacting the challenge chair, Sandra Torres. The rules for the challenge follow.**

### 2022 Quilt Guild Challenge

To honor the theme of this year's quilt show, Traditional with a Twist, our members will have an opportunity to participate in a challenge called "Find Your Twist".

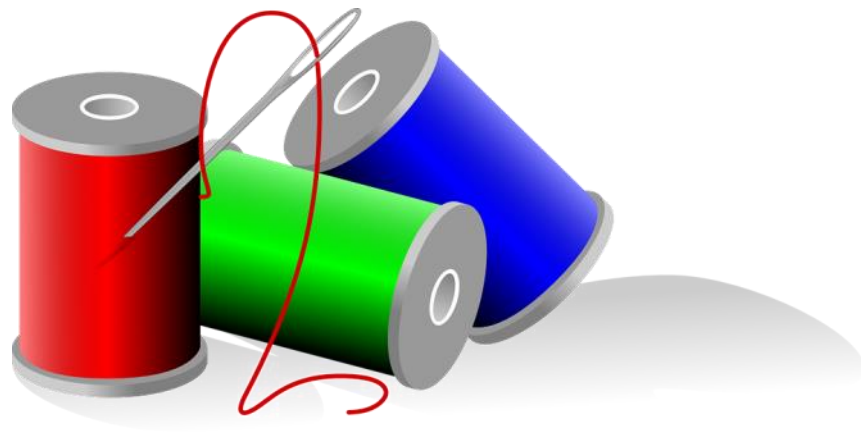

How many different things can you think of that reference "twist"? There is Peppermint twist candy, Chubby Checker's hit song "Twist Again", Lemon twist cookies, The Beatles "Twist & Shout", "Twister" the movie starring Helen Hunt about chasing Tornadoes, "Twister" the game of colored circles, the quilting template tool called the Twister, just to name a few. Any one of these, or all of them combined would make an interesting quilt. Would you like to create a twist on a traditional quilt block or pattern? Perhaps your design will include an actual twisted block like a Twisted Pretzel Paper Pieced Heart block (Google it, it's a beauty!). I'm sure you can think of many more twists and maybe you already have some ideas of your own.

1. Pick your favorite Twist theme(s) and create your quilt.
2. Quilts need to hang vertically, with the shortest edge along the top.
3. Your quilt should measure no more than 30" wide, and no more than 36" long.
4. Your quilt can be narrower than 30" and less than 36" long if you wish.
5. There is no limit or restriction on color. It's your design, you choose your color palette.
6. Any and all techniques are welcome - pieced, appliqued, paper pieced, foundation paper pieced, embellished, embroidered, or any combination thereof.
7. Quilts must be completely finished and turned into the committee by the October, 2021 General Meeting. When you turn in your quilt, put it inside a paper bag with your assigned letter on the outside of the bag.

Quilts will be judged by the members at the Annual Christmas Party and winners will be announced at the 2022 quilt show in March, 2022.

Where will you Find Your Twist? If you have any questions, please feel free to contact Sandra Torres at the phone number (texting is welcome) or email listed below.

## Quilt Show

Hello quilty friends!

It's been a very busy month as we continue to work our way to our quilt show in March. I realize that may sound like it's a long way off (it IS next year), but it's only 6 months away! And those 6 months include the Guild auction and the holiday season! Sew many projects and sew little time.

The opportunity quilt was cancelled at 2 different events in September, however, several members who were attending retreats/classes offered and took the quilt to sell tickets. Thank you so much Delaina, Kim and Linda for helping out. It truly is a group effort. I'm still booking Traditional with a Twist where I can and am always glad to have new idea for events to attend.

I know several of you are already working on your challenge quilts. If you haven't started yours yet (like me), there's still plenty of time to get your twisted ideas down on fabric. Try something new and join in on the twisty fun. Challenge quilts will be turned in at the October meeting.

Quilt show pins will be available at the October meeting. Remember to bring an extra \$5 and purchase yours.

Sew looking forward to seeing each and every one of you.

Deanna

## *Bits and Pieces*

### **SEW DAYS:**

**October 2** As of today, while I'm writing this, we will have a free sew day on **from 9 am to 3:30 pm** to work on your own project (community service or not) at the Rideout Conference Center, 989 Plumas Street, Yuba City, CA. I am waiting on Adventist Health to confirm that we can still use the room. In the event we can't, this sew day will be cancelled.

**October 23 Make a Difference Day** This will be a community service sew day. You can bring your own community service project, or just bring your machine and tools, and the community service committee will provide you the materials to make community service quilts. Again, I am waiting on Adventist Health to confirm that we can still use the room. In the event we can't, we will try to re-schedule this in a different location. I will send out information as I get it.

### **QUILT ENTRIES:**

Quilt entries will be available at the September and October meetings. They will also be available online for those of you not comfortable or able to attend meetings. (Colleen will send a link when it is updated). We realize that the pandemic and or government could again impact our show, but at the moment we are proceeding as normally as we can, hoping to put on an amazing live show. Please only take the forms you need, and please keep track of where you put them.

### **Quilt Entry Q&A**

Q Can I enter a quilt I already entered in 2020 or 2021 (virtual shows)?

A Yes

Q Can I have a quilt that was judged in 2020 judged again?

A No, only quilts that have not been professionally judged for a Valley Quilt Guild show can be judged this year.

Q How many quilts can I enter?

A We are not sure if we are going to get an overwhelming number of quilts as a result of the last two shows being cancelled, and we want to have a cap on the number of quilts so as to not have too crowded of a show ... so ... you can still enter up to 5 quilts, but we are asking you to assign a number to each quilt you enter. 1 would be the one you most want in the show, 2 the next most up to 5 ( the one you would want to be cut first should we need to lower the total number of quilts.) Please number your quilts by writing numbers from 1-5 (or however many quilts you are entering) in the top left corner of your entry form. After all the entries are in and the layout committee meets, you will be informed of any cuts that were made.

Q What about challenge quilts that were never displayed from 2020 and 2021?

A We would like to display those in the demonstration room. If you made one, and still have it, we would love to be able to put it up with all the others from each of those years

### **AUCTION:**

Please bring any auction items you have to donate to the September or October meeting, or contact Colleen and she will pick up any auction items you have. I am looking for quilts, wall-hangings, placemats, table runners or toppers, other crafted quilty items like pincushions, tote bags, phone holders, etc. I am not looking for reject or used items, or items with mistakes. I did have some barely used (looked like new) items last year, and identified them as such – but for the most part I am looking for new, quality items. Something you could sell at an auction and the recipient would be happy when they got it. It doesn't have to be perfect, but it should be high quality. If an item does not sell for the minimum bid, it will be returned to the donor to keep or give away. Last year I returned 11 items. Sometimes something just doesn't strike anyone. If that happens, find someone who will love it. Please give me some information about your donation, and include it in the bag when you donate. Please include your name, who made it, who quilted it if different, let me know if it is slightly used, and anything else of note.) It makes writing descriptions easier. The auction will run from 7 am on November 20, to 7 pm on November 28. The earlier the better, but the final deadline for an auction donation is November 7. I will pick up if you need me to.

### **QUILTS FOR FIRE SURVIVORS:**

We will be collecting quilts for Dixie fire survivors through December. You can bring them to the September or October meetings, or the Christmas Party. You can also drop them off at Sharon Easter's house (contact her first). They will be delivered to the Susanville quilt shop where they will be distributed to those in need. Camille asked what kinds of quilts they need, and while they will accept any quilts or quilt tops, they have a need for larger ones (60" -70") and a need for quilts that might appeal to men.

### **CHRISTMAS PARTY:**

Right now we are still planning on a Christmas Party on THURSDAY, December 2, 2021 at the Moose Lodge in Yuba City. There will be tickets on sale at the September and October meetings. The cost is \$15.

We could use some help for the Christmas Party. We need people (or groups of people) to sign up to decorate a table or tables. We also need donations of raffle baskets (larger items) and door prizes (smaller items, may possibly include table decorations, poinsettias, etc) We will be doing the door prizes like we did the ice cream social – 4 tickets to put in the door prize bag of your choice. Look for the Christmas party ticket sales and sign up sheets at the meeting!

### **OPPORTUNITY QUILT TICKETS:**

If you come to the September meeting, please pick up your opportunity quilt tickets to sell. They will also be available at the October meeting. If you aren't going to be at either meeting, we will try to get a friend to deliver to you, or Deanna or Colleen will deliver them to you.
